# SPACE.

# RACE.

The perfect interplay of size and sporting aesthetics: in the BMW 3 Series Gran Turismo, functional versatility and exhilarating dynamic performance form a continuum. An overall image ideally complemented by its coupé-like design and superb comfort. The BMW 3 Series Gran Turismo – the supreme marriage of space and form.

## THE REAR: AHEAD OF EVERYTHING.

Distinctive lines, sculpted surfaces and typical L-shaped LED taillights – the rear of the BMW 3 Series Gran Turismo embodies poise and athleticism. The side view is just as exhilarating: doors with frameless windows and a gently sloping roofline are complemented by a double swage line extending in a dynamic sweep all the way to the front. Experience a design that embodies the urge to move, from any perspective.

## TRUST YOUR EYES. AND YOUR CAR'S.

The optional Adaptive LED headlights in the BMW 3 Series Gran Turismo ensure perfect visibility of everything that is ahead of you, for one good reason: your safety. With their distinctive design, they don't just enhance the aesthetics of the car's front. By extending all the way to the kidney grille, they also underscore the vehicle's focused gaze. Concentrated driving pleasure – in the BMW 3 Series GT.

LOTS OF ROOM FOR DYNAMIC MANOEUVRE.

And efficiency. Intelligent technologies like the BMW TwinPower Turbo engine enable the BMW 3 Series Gran Turismo to achieve maximum dynamic performance while at the same time lowering fuel consumption. And you can push the limits further still: with the Adaptive suspension, every drive becomes an even more sporty affair, while the active rear spoiler maximises downforce. Efficient and aerodynamic – the BMW 3 Series Gran Turismo.

# COMFORT THAT TOPS EVERYTHING. EXCEPT DRIVING PLEASURE.

The BMW 3 Series Gran Turismo offers you maximum comfort as soon as you enter the car. The elevated seating position and spacious interior provide you with lots of room for movement – even when you’re on the road. There’s top-level entertainment, too: numerous BMW ConnectedDrive services and an advanced navigation system allow you to enjoy your own personal kind of infotainment. Combined with special highlights such as the optional Ambient lighting and classy chrome trim on the centre console, the BMW 3 Series Gran Turismo turns the dream of perfect journeys into a reality.

## A BIG IMPRESSION, WHATEVER DOOR YOU OPEN.

The flexible luggage compartment in the BMW 3 Series Gran Turismo adapts to all your needs. To open or close the boot, for example, use the convenient automatic tailgate operation. Or create even more space: with the 40/20/40-split rear backrest, which can also be folded down from the back of the car<sup>1</sup>, using the optional remote backrest release. You have space for everything, in day-to-day driving as well as on special journeys – in the BMW 3 Series Gran Turismo.

<sup>1</sup> Part of the Storage compartment package. Standard for 330i, 330i xDrive, 340i, 340i xDrive, 330d, 330d xDrive and 335d xDrive.

# INNOVATION AND TECHNOLOGY.

**BMW TWIN POWER TURBO ENGINES:** At the heart of BMW EfficientDynamics.

**BMW EFFICIENT DYNAMICS:** Maximum driving pleasure, minimum fuel consumption.

**BMW CONNECTED DRIVE:** Digital services & apps.

**BMW PERSONAL COPILOT:** Intelligent driver assistance systems.

**SUSPENSION:** Innovative systems for more driving pleasure.

**SAFETY:** State-of-the-art technology.

# BMW TwinPower Turbo engines.

## At the heart of BMW EfficientDynamics.

Thanks to BMW TwinPower Turbo technology, the innovative BMW petrol and diesel engines from the BMW EfficientDynamics family deliver agile performance and excellent responsiveness even at minimal engine speeds. At the same time, fuel consumption and emissions remain exceptionally low. It's an overall combination that guarantees significantly more intense driving pleasure.

### BMW TWIN POWER TURBO IN-LINE SIX-CYLINDER PETROL ENGINE 340i.

Commanding power, silky-smooth running and a stirring sound are the hallmarks of the BMW TwinPower Turbo inline 6-cylinder petrol engine from the latest generation of the BMW EfficientDynamics engine range. With Double-VANOS, Valvetronic, High-Precision Injection and a TwinScroll turbocharger, it generates 240 kW (326 hp) and has an average combined fuel consumption rate of [7.5–7.6] litres per 100 km.

**BMW EFFICIENT DYNAMICS.**  
**LESS EMISSIONS. MORE DRIVING PLEASURE.**

### BMW 340i/340i xDrive

- BMW TwinPower Turbo 6-cylinder inline diesel engine with 240 kW (326 hp) and 450 Nm torque
- Acceleration 0–100 km/h: [5.1] s (xDrive: [5.0] s); top speed: [250<sup>2</sup>] km/h (xDrive: [250<sup>2</sup>] km/h)
- Combined fuel consumption: [7.5–7.6] l/100 km<sup>1</sup> (xDrive [7.9–8.1] l/100 km<sup>1</sup>)
- Combined CO<sub>2</sub> emissions: [170–173] g/km<sup>1</sup> (xDrive [180–184] g/km<sup>1</sup>)

### BMW 330i/330i xDrive

- BMW TwinPower Turbo 4-cylinder petrol engine with 185 kW (252 hp) and 350 Nm torque
- Acceleration 0–100 km/h: [6.1] s (xDrive: [6.2] s); top speed: [250<sup>2</sup>] km/h (xDrive: [250<sup>2</sup>] km/h)
- Combined fuel consumption: [6.3 – 6.5] l/100 km<sup>1</sup> (xDrive [7.0–7.1] l/100 km<sup>1</sup>)
- Combined CO<sub>2</sub> emissions: [144–147] g/km<sup>1</sup> (xDrive [159–161] g/km<sup>1</sup>)

### BMW 320i/320i xDrive

- BMW TwinPower Turbo 4-cylinder petrol engine with 135 kW (184 hp) and [270] Nm torque
- Acceleration 0–100 km/h: [8.1] s (xDrive: [8.4] s); top speed: [229] km/h (xDrive: [224] km/h)
- Combined fuel consumption: [6.2–6.3] l/100 km<sup>1</sup> (xDrive [6.7–6.8] l/100 km<sup>1</sup>)
- Combined CO<sub>2</sub> emissions: [141–143] g/km<sup>1</sup> (xDrive [152–156] g/km<sup>1</sup>)

### BMW 335d xDrive

- BMW TwinPower Turbo 6-cylinder inline diesel engine with 230 kW (313 hp) and 630 Nm torque
- Acceleration 0–100 km/h: [4.9] s; top speed: [250<sup>2</sup>] km/h
- Combined fuel consumption: [6.3–6.4] l/100 km<sup>1</sup>
- Combined CO<sub>2</sub> emissions: [165–168] g/km<sup>1</sup>

### BMW 330d/330d xDrive

- BMW TwinPower Turbo 6-cylinder inline diesel engine with 190 kW (258 hp) and 560 Nm torque
- Acceleration 0–100 km/h: [5.7] s (xDrive: [5.4] s); top speed: [250<sup>2</sup>] km/h (xDrive: [250<sup>2</sup>] km/h)
- Combined fuel consumption: [5.6–5.8] l/100 km<sup>1</sup> (xDrive [5.9–6.0] l/100 km<sup>1</sup>)
- Combined CO<sub>2</sub> emissions: [148–152] g/km<sup>1</sup> (xDrive [156–158] g/km<sup>1</sup>)

### BMW 320d/320d xDrive

- BMW TwinPower Turbo 4-cylinder diesel engine with 140 kW (190 hp) and 400 Nm torque
- Acceleration 0–100 km/h: 7.9 [7.8] s (xDrive: [7.8] s); top speed: 230 [226] km/h (xDrive: [225] km/h)
- Combined fuel consumption: 5.0–5.2 [4.9–5.0] l/100 km<sup>1</sup> (xDrive [5.2–5.3] l/100 km<sup>1</sup>)
- Combined CO<sub>2</sub> emissions: 133–136 [128–131] g/km<sup>1</sup> (xDrive [138–141] g/km<sup>1</sup>)

### BMW 318d

- BMW TwinPower Turbo 4-cylinder diesel engine with 110 kW (150 hp) and 320 Nm torque
- Acceleration 0–100 km/h: 9.4 [9.3] s; top speed: 210 [210] km/h
- Combined fuel consumption: 4.8–4.9 [4.7–4.8] l/100 km<sup>1</sup>
- Combined CO<sub>2</sub> emissions: 126–129 [124–128] g/km<sup>1</sup>

<sup>1</sup> The data for fuel consumption, CO<sub>2</sub> emissions and energy consumption are determined in accordance with the measurements processes as defined by European Regulation (EU) 2007/715 in the applicable version. Data refer to a vehicle with base-level equipment in Germany, and the ranges account for differences according to the selected wheel and tyre size and the optional equipment and may change during the configuration process. Figures have been determined on the basis of the new WLTP test cycle and have been converted back into NEDC figures for comparability. [For these vehicles, values other than those specified here may apply for the assessment of taxes and other vehicle-related charges that are (also) based on CO<sub>2</sub> emissions.]

<sup>2</sup> Electronically restricted.

Quoted performance, fuel consumption and CO<sub>2</sub> emissions figures refer to vehicles with standard transmission. Figures in [ ] refer to vehicles with Steptronic transmission.

[www.bmw.com/efficientdynamics](http://www.bmw.com/efficientdynamics)

# In the BMW 3 Series Gran Turismo.

## MORE POWER FROM LESS FUEL.

More power from 3 to 12 cylinders. Consume less, experience more – the BMW TwinPower Turbo engines offer the greatest possible dynamic performance with the greatest possible efficiency thanks to the newest injection systems, variable output control and sophisticated turbocharger technology. Whether diesel or petrol, and no matter how many cylinders, the engines from the BMW EfficientDynamics engine family allow markedly more agile power delivery and outstanding responsiveness even at low rpms, while being fuel-efficient and low in emissions.

## MORE DRIVING PLEASURE, LESS EMISSIONS.

Approximately 33% less CO<sub>2</sub> emissions since 2000: BMW EfficientDynamics is a technology package that includes not only the engine and drivetrain, but rather the whole vehicle concept, including intelligent energy management. Provided as standard in every BMW, a variety of innovative technologies contribute to continuously improving efficiency. Via engine efficiency measures, electrification, lightweight construction methods and optimised aerodynamics, BMW has managed to reduce the CO<sub>2</sub> emissions of its fleet by 33%.

## MORE SPEED, LESS WEIGHT.

Lower weight with intelligent lightweight construction. Special consideration for every last detail – intelligent lightweight construction means that the optimal material is found and implemented for each part of the vehicle. With extremely light high-tech materials such as aluminium and carbon fibre, BMW EfficientLightweight is pursuing the goal of minimising vehicle weight. That leads to even more dynamic performance, increased stability and heightened vehicle safety and comfort.

## MORE ENERGY, LESS PETROL.

100% driving pleasure with 0% local emissions: BMW eDrive technology makes it possible. Energy for electric driving is supplied by a high-voltage lithium-ion battery and maximised by a host of efficiency measures such as Brake Energy Regeneration. The all-new synchronous electric motor BMW has developed for BMW eDrive provides plentiful torque for acceleration, available all the way to the car's maximum speed, to combine sustainable mobility with outstanding agility and dynamic performance.

## BMW EFFICIENT LIGHTWEIGHT

Intelligent lightweight construction at BMW means using the right material for the right parts of the vehicle. For every single component, the most suitable material is selected. This philosophy, also known as BMW EfficientLightweight, is now integral to BMW EfficientDynamics and applied to every BMW.

## ACTIVE REAR SPOILER

Automatically extending at a speed of over 110 km/h, the Active rear spoiler lends added downforce on the rear axle, thereby improving stability at high speed. It retracts automatically once the speed goes back down to under 70 km/h. The driver can also manually extend/retract the Active rear spoiler via a button below the electric window controls on the driver's door.

## ROUTE-AHEAD ASSISTANT

The Route-ahead assistant<sup>1</sup> is a function included in the ECO PRO mode and it helps the driver to adopt an extremely efficient way of driving. In conjunction with the Navigation system Professional, it recognises speed limits, city limits, bends, roundabouts, turns and motorway exits along the chosen route and gives tips in advance about when to reduce speed.

## AUTOMATIC START/STOP FUNCTION

The Automatic Start/Stop function switches off the engine when the vehicle comes to a temporary standstill (e.g. at traffic lights or in a traffic jam) to further reduce overall fuel consumption. When the driver presses down on the clutch (manual transmission) or takes their foot off the brake (Steptronic transmission), the engine automatically starts up again in a fraction of a second.

<sup>1</sup> The Route-ahead assistant is only available in combination with the Navigation system Professional.

# BMW Personal CoPilot

By your side, when you decide.

## THE INNOVATIVE BMW ASSISTANCE SYSTEMS.

Enjoy the ultimate in comfort and safety with the BMW Personal CoPilot. Whether it's for driving or parking, you can rely on BMW Personal CoPilot driver assistance systems in every situation. The most cutting-edge systems, such as radar, ultrasound and cameras, dependably register the vehicle's surroundings, forming the basis for intelligent driver assistance systems. Either activated when desired, or as emergency assistance in the background – BMW Personal CoPilot assistance systems make every journey in your BMW even safer and more enjoyable.

## CLOSER TO AUTONOMOUS DRIVING THAN EVER BEFORE.

Autonomous driving is not a utopia, it is the future: All over the world, BMW Personal CoPilot test vehicles are already driving completely independently without the driver's intervention and not only show impressively how mobility will change in the near future – they also offer an outlook on the next level of driving pleasure. Even today, BMW Personal CoPilot already offers a large number of intelligent semi-automated assistants that actively support and relieve the driver in almost every driving situation.

## SIMPLY PARK IT.

Intelligent parking assistance systems from BMW Personal CoPilot are available so that you don't just look forward to every ride in your BMW, but also to parking. For example, the Parking assistant already displays suitable parking spaces as you drive past and, depending on the BMW model, runs the parking process either partially or completely independently. But here too, automation will continue to advance, so that in the future it will be possible for vehicles without drivers to search for a parking space and execute the parking process autonomously.

## ACTIVE CRUISE CONTROL.

Active cruise control with Stop&Go function<sup>1,2</sup> incl. Approach control warning with braking function maintains a speed preselected by the driver, as well as the distance to the vehicle ahead. The vehicle takes over accelerating and braking and keeps the predetermined distance to the car ahead even in slow-moving traffic and down to a stand-still in traffic jams.

## DRIVING ASSISTANT.

The Driving Assistant<sup>2,3</sup> combines the Lane Departure Warning and Approach Control Warning systems. When travelling at speeds between 10 and 60 km/h, the Approach control and pedestrian warning with light city braking function issues an alert if there is a risk of collision with vehicles or pedestrians, and brakes the vehicle in the event of an emergency. At speeds above approx. 70 km/h, Lane Departure Warning draws the driver's attention to an unintentional lane change by means of slight vibrations of the steering wheel.

## PARKING ASSISTANT.

The Parking assistant<sup>2,4</sup> makes parking parallel and perpendicular to the road easier. The system works by measuring even tight potential parallel parking spaces while driving past at a low speed. When a suitable space has been found, the Parking assistant takes over the steering, while the driver is responsible for selecting the correct gear, as well as pressing the accelerator and brakes.

# BMW ConnectedDrive

Connected to be free.

## CONNECTED FOR OVER 40 YEARS.

Focused on the future – from the very beginning. By the 1970s, BMW had already made headway in connected mobility. Another milestone of the digital future was surpassed in 1999: vehicles with built-in SIM cards. Then came the first online functionality, Google Services and innovative display systems such as the BMW Head-Up Display. Throughout this process, the desires of the customer have always taken centre stage. In a first for a premium automobile manufacturer, BMW makes it possible to book and pay for services flexibly via the BMW ConnectedDrive Store, in the vehicle or on a computer at home. And with the introduction of BMW Connected and the Open Mobility Cloud, BMW is taking the next steps into the future of mobility.

## MORE THAN 20 SERVICES IN THE BMW CONNECTED DRIVE STORE.

ConnectedDrive Services open the gate to the digital world of BMW. Use vehicle apps such as news, weather, office or online search on the go and be well informed at all times. ConnectedDrive Services form the basis to order further digital services such as Concierge Services or Online Entertainment from the ConnectedDrive Store – always, everywhere, simply and flexibly.

## IN TOUCH 24/7 WITH BMW CONNECTED.

Are the doors of my car really locked, when should I leave my office to arrive in time for dinner at the fancy Italian restaurant and how will I find my way there? As your personal mobility assistant, the BMW Connected App can easily help you with all these questions. It connects you directly with your car, giving you access before and during your trip to numerous functions, which make every drive simpler and more comfortable.

## DOOR-TO-DOOR NAVIGATION

Get to your appointments relaxed and on time: no problem thanks to the BMW Connected app Door-to-door navigation.<sup>8</sup> On arrival, users can use their iPhone or a connected Apple watch to be guided from their parked car to their final destination on foot.

## PREPARATION FOR APPLE CAR PLAY®.

Preparation for Apple CarPlay<sup>®2,5,6</sup> supports the convenient and wireless use of a selected iPhone<sup>®</sup> functions in the vehicle. This allows smartphone content, along with functions such as music, iMessages/text messages, telephony, Siri, navigation and selected third-party apps to be displayed and operated via the vehicle's user interface and via Voice control.

## WIFI HOTSPOT.

The equipment includes a built-in WiFi hotspot<sup>2,7</sup> using the LTE standard, which allows for a paid internet connection. The vehicle is connected via the built-in SIM card with a fee-based hotspot plan from a service provider.

# IN THE BMW 3 SERIES GRAN TURISMO.

<sup>1</sup> Only available in conjunction with Steptronic transmission.  
<sup>2</sup> Available as optional equipment.  
<sup>3</sup> Function may be limited in darkness, fog or bright glare.  
<sup>4</sup> Only available in conjunction with Park Distance Control (PDC).  
<sup>5</sup> Preparation for Apple CarPlay<sup>®</sup> supports the convenient and wireless use of a selected iPhone<sup>®</sup> functions in the vehicle. This allows smartphone content, along with functions such as music, iMessages/text messages, telephony, Siri, navigation and selected third-party apps to be displayed and operated via the vehicle's user interface and via Voice control.  
<sup>6</sup> Only available in conjunction with a navigation system.  
<sup>7</sup> The WiFi hotspot fulfils all in-vehicle requirements for use of the internet with the maximum LTE standard. Usage is subject to cost.  
<sup>8</sup> Only available in conjunction with ConnectedDrive Services and Remote Services. Some ConnectedDrive Services may differ between countries. Please consult your local BMW partner for more information.

# IN THE BMW 3 SERIES GRAN TURISMO.

The key visual for BMW Personal CoPilot shown here is an exemplary, artistic representation, which can deviate from the design and equipment of the BMW model described in this medium.

# Chassis.

A solid foundation for superior driving dynamics.

The BMW 3 Series Gran Turismo features a whole host of innovative technologies to help you get the most out of each drive. Many of these systems are intelligently linked with each other. Their interaction ensures that you can enjoy maximum driving pleasure, in maximum safety – on every straight, in every corner, every second of your drive.

## EIGHT-SPEED STEPTRONIC SPORT TRANSMISSION.

The automatic 8-speed Steptronic Sport transmission enables not only automatic gear selection but also manual shifting using either the gear lever or the gearshift paddles on the steering wheel. Anything is possible, from comfortable gliding to very dynamic driving with Launch Control activated if desired. In SPORT mode, the gear shifts are configured for maximum performance.

The optional **Adaptive suspension<sup>1</sup>** can be electronically adjusted at any time to suit the road and driving conditions. The driver can also adjust the suspension characteristics via the Driving Experience Control to enable their preferred driving style at the time – from comfortable to extremely athletic with markedly agile handling.

The **M Sport suspension<sup>2</sup>** is characterised by sport suspension settings, and on cars with rear-wheel drive, it includes a chassis lowered by around 10 millimetres. It features shorter suspension springs and tighter damper settings, as well as harder stabilisers. Together these result in even more direct settings that facilitate a particularly dynamic driving style.

The optional **Variable sport steering** with Servotronic creates a direct and agile steering response and ensures less physical effort is required to turn the wheel. It reacts to the angle of the steering wheel with varying steering ratios. This improves handling when driving more dynamically and reduces the effort needed to steer when parking and turning.

**Servotronic** supports steering by adjusting the power steering to suit the current speed and ensures an immediate and precise steering response at higher speeds. What's more, it boosts steering support and therefore also comfort levels when steering at lower speeds, for example when parking or manoeuvring.

The intelligent **BMW xDrive all-wheel drive system** smoothly and variably distributes drive power to the front and rear wheels for maximum traction, driving dynamics and safety in every driving situation. For even better agility, the electronically controlled power distribution counterbalances over and under-steering on bends, among other things.

The **rear-wheel drive** ensures excellent unimpaired steering precision due to the fact that the front axle is not affected by any form of torque steer with this type of drive. Furthermore, the dynamic axle load distribution associated with a Rear-wheel drive ensures great traction when accelerating from a standstill.

<sup>1</sup> Lowering only available in conjunction with rear-wheel drive.  
<sup>2</sup> M Sport suspension only available in conjunction with rear-wheel drive.

# Safety.

Unparalleled safety with the latest BMW technology.

The BMW 3 Series Gran Turismo features advanced technologies on which you can always rely. Superior driving characteristics and innovative equipment come as standard in this car. As a BMW driver, you will be supported by state-of-the-art technology able to give you maximum support in any situation, making you feel safe no matter what condition the roads are in.

## DRIVING ASSISTANT.

The optional Driving Assistant<sup>1</sup> combines the Lane Departure Warning and Approach control warning systems. When travelling at speeds between 10 and 60 km/h, the Approach control and person warning with light city braking function issues a warning if there is a risk of collision with vehicles or pedestrians, and brakes the vehicle in the event of an emergency. At speeds above approx. 70 km/h, the Lane Departure Warning draws the driver's attention to an unintentional lane change by means of slight vibrations of the steering wheel.

■ The **Dynamic Stability Control (DSC)** with extended functionality stabilises the vehicle as soon as any skidding motion is detected.

□ The **Adaptive LED headlights** produce a light colour very similar to daylight and adjust their light distribution automatically according to speed and steering angle.

■ The **Airbags for the driver and front passenger**, as well as side airbags integrated into the front seat backrests provide strategic protection in the event of a crash.

■ **Intelligent emergency call** automatically establishes a connection with the nearest rescue coordination centre through the BMW call centre whenever needed – without the use of a mobile phone.

□ **Lane Change Warning<sup>1</sup>** alerts the driver to vehicles in the blind spot as well as vehicles in the neighbouring lane by means of a visual signal and vibration in the steering wheel.

□ **Person warning with light city braking function<sup>1</sup>** notifies drivers of potential collisions with pedestrians and even brakes automatically in emergency situations.

<sup>1</sup> Function may be limited in darkness, fog or bright glare.

# INDIVIDUALITY AND CHOICE.

**EQUIPMENT:** BMW models, equipment highlights, wheels and tyres as well as Original BMW Accessories.

**COLOURS:** Exterior and interior colour schemes.

**TECHNICAL DATA:** Vehicle weight, engine, transmission, driving performance, consumption, wheels and technical drawings.

**BMW SERVICES:** BMW Service, BMW Financial Services and BMW Experience.

BASIC.

■ Standard equipment    □ Optional equipment

The BMW 3 Series Gran Turismo is a perfect companion that includes a wide range of equipment features as standard. A selection of these standard features is described here.

- A selection of base model equipment:**
- 17" light alloy wheels
  - LED Headlights
  - LED foglights
  - Leather steering wheel
  - Multifunction leather steering wheel
  - Armrest, front, sliding
  - BMW Professional Radio
  - Automatic tailgate operation
  - Through-loading system, 40:20:40

**[ 01 | 04 ]** The BMW 320i xDrive in the optional exterior colour Mineral White metallic; shown here with the optional 18" light alloy wheels V-spoke style 658.

**[ 03 ]** 17" light alloy wheels Star-spoke style 394, 8J x 17 with 225/55 R17 tyres.<sup>1</sup>

**[ 02 ]** The standard LED headlights provide optimal illumination while simultaneously reducing energy consumption.

**[ 05 ]** Standard seats, shown here in Anthracite Move cloth, and the Satin Silver matt interior trim.

**[ 06 ]** Premium materials and first-class driver orientation reflect the main priorities of the BMW 3 Series Gran Turismo: sportiness and functionality.<sup>2</sup>

<sup>1</sup> Standard with 320i, 320i xDrive, 318d, 320d, 320d xDrive.  
<sup>2</sup> Shown here with optional CD drive.

Optional and standard equipment vary according to country.

# MODEL LUXURY LINE.

■ Standard equipment    □ Optional equipment

### Model Luxury Line interior equipment:

- Door sill finishers in aluminium with “BMW” designation
- Seats in Leather ‘Dakota’ Saddle Brown with extended trims in Brown and Brown highlights; other upholsteries available
- Heated seats
- Sport leather steering wheel
- Car key with Pearl Chrome detailing
- Air conditioning and radio control unit and centre console with Pearl Chrome detailing
- Interior trim finishers in Fine-wood trim ‘Fineline’ Anthracite with accent in Pearl Chrome or
- Interior trim finishers in Fine-wood trim burled walnut with accent in Pearl Chrome, the exclusive accent continues on the doors and in the rear; other trims available
- Orange or white variable Ambient light
- B-pillar illumination
- Lights package
- 2-zone Automatic air conditioning with extended features

### Model Luxury Line exterior equipment:

- BMW kidney grille with eleven exclusively designed vertical slats with front sides in Chrome high-gloss
- Front bumper with specific design elements in Chrome high-gloss
- 18" light alloy wheels Multi-spoke style 416, alternatively
- 19" light alloy wheels Multi-spoke style 674 with mixed tyres, other wheels available
- “Luxury Line” designation on the side
- Air Breather in Chrome high-gloss, alternatively in body colour
- Side window frames and window recess finisher in Chrome high-gloss
- Rear bumper with specific design elements in Chrome high-gloss
- Tailpipe trim strip in Chrome high-gloss

03 □

[ 01 ] The Luxury Line with optional sport seats and standard Dakota leather upholstery in Cognac combines exclusive appeal with a sporting ambience.

[ 02 ] The cockpit with the BMW Individual leather steering wheel in combination with the Fineline light fine-wood trim.

04 ■

06 ■

07 □

[ 03 | 06 ] The BMW 330i in the optional Jatoba metallic exterior colour with optional 19" light alloy wheels Multi-spoke style 674 and mixed tyres.

[ 06 ] 18" light alloy wheels Multi-spoke style 416, 8J x 18 with 225/50 R18 tyres.

[ 04 ] The Automatic air conditioning with two-zone control and automatic temperature control features separate controls for the driver and front passenger. It also includes Automatic Air Recirculation (AAR), an active carbon filter, a fog and solar sensor, as well as rear air vents.

[ 07 ] 19" light alloy wheels Multi-spoke style 674 with mixed tyres in Bicolour Ferric Grey, gloss-lathed, wheel size 8J x 19 front with 225/45 R19 tyres, wheel size 9J x 19 rear with 255/40 R19 tyres.

# MODEL SPORT LINE.

■ Standard equipment    □ Optional equipment

### Model Sport Line interior equipment:

- Door sill finishers in aluminium with “BMW” designation
- Sport seats in Cloth ‚Corner‘ Anthracite with Red or Grey accent, alternatively
- Sport seats in Leather Dakota Black with Red accent; other upholsteries available
- Sport leather steering wheel with Red contrast stitching, alternatively available with Black stitching
- Car key with Red detailing
- Instrument cluster with speedometer and revolution counter with chronoscaling and red contrast ring
- Air conditioning and radio control unit with chrome detailing
- Interior trim finishers in Black high-gloss with accent in Coral Red matt or
- Interior trim finishers in Aluminium, finely brushed lengthwise with accent in Black high-gloss, the exclusive accent continues on the doors and in the rear; other trims available
- Orange or white variable Ambient light
- Driving Experience Control with additional SPORT+ mode
- Lights package
- 2-zone Automatic air conditioning with extended features

### Model Sport Line exterior equipment:

- BMW kidney grille with nine exclusively designed vertical slats with front sides in Black high-gloss
- Front bumper with specific design elements in an Aluminium look and in Black high-gloss
- 18" light alloy wheels Double-spoke style 397 in Bicolour Ferric Grey; other wheels available
- Mirror caps in body colour, alternatively in Black high-gloss
- Air Breather in Black high-gloss, alternatively in body colour
- Side window surrounds and window recess finisher in Black matt
- Rear bumper with specific design elements in Black high-gloss
- Tailpipe trim strip in Black, chrome-plated

03 □

01 □

[ 01 ] The standard Sport seats, shown here in the optional Oyster Dakota leather, provide outstanding lateral hold thanks to wider side bolsters with electric adjustment.

02 □

[ 02 ] The optional Ash Grain fine-wood interior trim with metal inlay and the Pearl Chrome highlight underscore the dynamics of the interior design. The Sport leather steering wheel convinces with its satisfying grip.

[ 03 | 06 ] The BMW 340i, shown here with the optional exterior colour Arctic Grey brilliant effect metallic, optional 19" light alloy wheels Double-spoke style 673 with mixed tyres and optional exterior features in satinated Aluminium.

[ 04 ] The Lights package features numerous LED lights both inside and outside for increased convenience and creates a stylish look for the interior.

[ 05 ] The Driving Experience Control features various different modes, so the driver can choose between a comfortable, particularly efficient or superbly sporty drive.

[ 07 ] 18" light alloy wheels Double-spoke style 397 in Bicolour Ferric Grey, gloss-lathed, 8J x 18, with 225/50 R18 tyres.

[ 08 ] 19" light alloy wheels Double-spoke style 673 in Bicolour Ferric Grey, gloss-lathed, front wheel size 8J x 19 with 225/45 R19 tyres.

# M SPORT PACKAGE.

powered by 

■ Standard equipment    □ Optional equipment

- Variable sport steering
- M Sport brake
- BMW Individual high-gloss Shadow Line
- M logo on the sides
- Exterior mirror caps in body colour
- Tailpipe trim strip in Chrome high-gloss
- Exclusive paintwork in Estoril Blue metallic; other paintworks available
- Air Breather trim element in Black high-gloss

03 □

**[ 01 ]** The Sport seats in Black Dakota leather with contrast stitching in Blue underscore the powerfully dynamic character of the BMW 3 Series Gran Turismo in the interior.

**[ 02 ]** The standard M leather steering wheel with its more pronounced thumbrests is a pleasure to hold. The M footrest, the chrome applications and the Aluminium Hexagon trim with its matt Blue highlight further accentuate the sporty character of the BMW 3 Series Gran Turismo interior.

**[ 03 | 06 ]** The BMW 340i in the optional exterior colour Estoril Blue metallic exclusive to M Sport models. Also featuring 19" Double-spoke style 598 M wheels in Bicolour Orbit Grey with mixed tyres.

**[ 04 ]** BMW Individual headliner Anthracite: the headliner and the trims on the vehicle's pillars and sun visors feature Anthracite cloth.

**[ 05 ]** M Aerodynamics package with larger air inlets, unique side skirts and a rear apron with a diffuser insert in Dark Shadow metallic.<sup>4</sup>

**[ 07 ]** 18" M light alloy wheels Star-spoke style 400 M with mixed tyres, front 8J x 18 with 225/50 R18 tyres, rear 9J x 18 with 255/45 R18 tyres.

**[ 08 ]** 19" M light alloy wheels Double-spoke style 598 M with mixed tyres Bicolour Orbit Grey, gloss-lathed, wheel size 8J x 19 front with 225/45 R19 tyres, wheel size 9J x 19 rear with 255/40 R19 tyres.

<sup>1</sup> Shortened shift lever only in conjunction with manual transmission.  
<sup>2</sup> M Sport suspension not available in conjunction with xDrive.  
<sup>3</sup> Lowered suspension not available in combination with xDrive.  
<sup>4</sup> Number and design of the tailpipes dependent on engine.

# EQUIPMENT HIGHLIGHTS.

■ Standard equipment    □ Optional equipment

**[ 01 ]** The rear lights with lighting elements in full LED technology with their characteristic “L” shape, make the car instantly recognizable as a BMW, even in the dark.

**[ 02 ]** Interior and driver-side exterior mirrors with automatic anti-dazzle function, including fold-in function for the exterior mirrors and automatic parking function for the front passenger exterior mirror.

**[ 03 ]** The Panorama glass roof with electrically adjustable sunshade not only ensures that both the front and rear have an abundance of light, but also comes with a slide and lift function.

**[ 04 ]** The Adaptive LED headlights produce a light colour very similar to daylight and adjust their light distribution automatically according to speed and steering angle.

**[ 05 ]** The Comfort access system allows passengers to enter the car without having to actively use the car key.

**[ 06 ]** The Rain sensor including automatic headlight activation automatically activates the windscreen wipers and the low-beam headlights.

**[ 07 ]** Tailpipe, visible, twin round, with chrome trim<sup>1</sup>. Shown here with optional trailer tow hitch.

**[ 08 ]** Ash Grain fine-wood trim with metal inlay and Pearl Chrome highlight.

**[ 09 ]** BMW Individual fine-grain leather steering wheel in Sport leather steering wheel design with superior-quality leather and thicker wheel rim.

**[ 10 ]** Telephony with wireless charging offers a comprehensive telephony package with Bluetooth connectivity and the technical capacity for a WiFi hotspot.<sup>5</sup>

**[ 11 ]** M Leather steering wheel including multifunction buttons, steering wheel rim in leather 'Walknappa' Black with contoured thumb rests.<sup>2</sup>

**[ 12 ]** BMW Individual instrument panel (4M5) finished with Black Walknappa leather top and bottom. Upper-arm trim panels without leather upholstery. Only in conjunction with Dakota leather.

**[ 13 ]** The full-colour BMW Head-Up Display projects information relevant to the journey directly into the driver's field of vision.<sup>3</sup>

**[ 14 ]** The WiFi Hotspot enables a WiFi connection of up to 10 mobile devices via the SIM card integrated into the vehicle.<sup>4</sup>

<sup>1</sup> The 318d features a left-side single exhaust pipe, 340i and 340i xDrive are fitted with a single exhaust pipe left and right (320i, 320i xDrive, 330i, 330i xDrive, 320d, 320d xDrive, 325d, 330d, 330d xDrive, 335d xDrive have twin pipes). Chromed Black trim for Sport Line models.

<sup>2</sup> Standard for M Sport package.

<sup>3</sup> The visibility of the BMW Head-Up Display is limited by polarised sunglasses. Functionality shown is dependent on equipment. Further optional equipment is required for additional on-screen functions.

<sup>4</sup> The WiFi Hotspot in the vehicle enables use of the internet with maximum LTE connectivity. Use incurs charges.

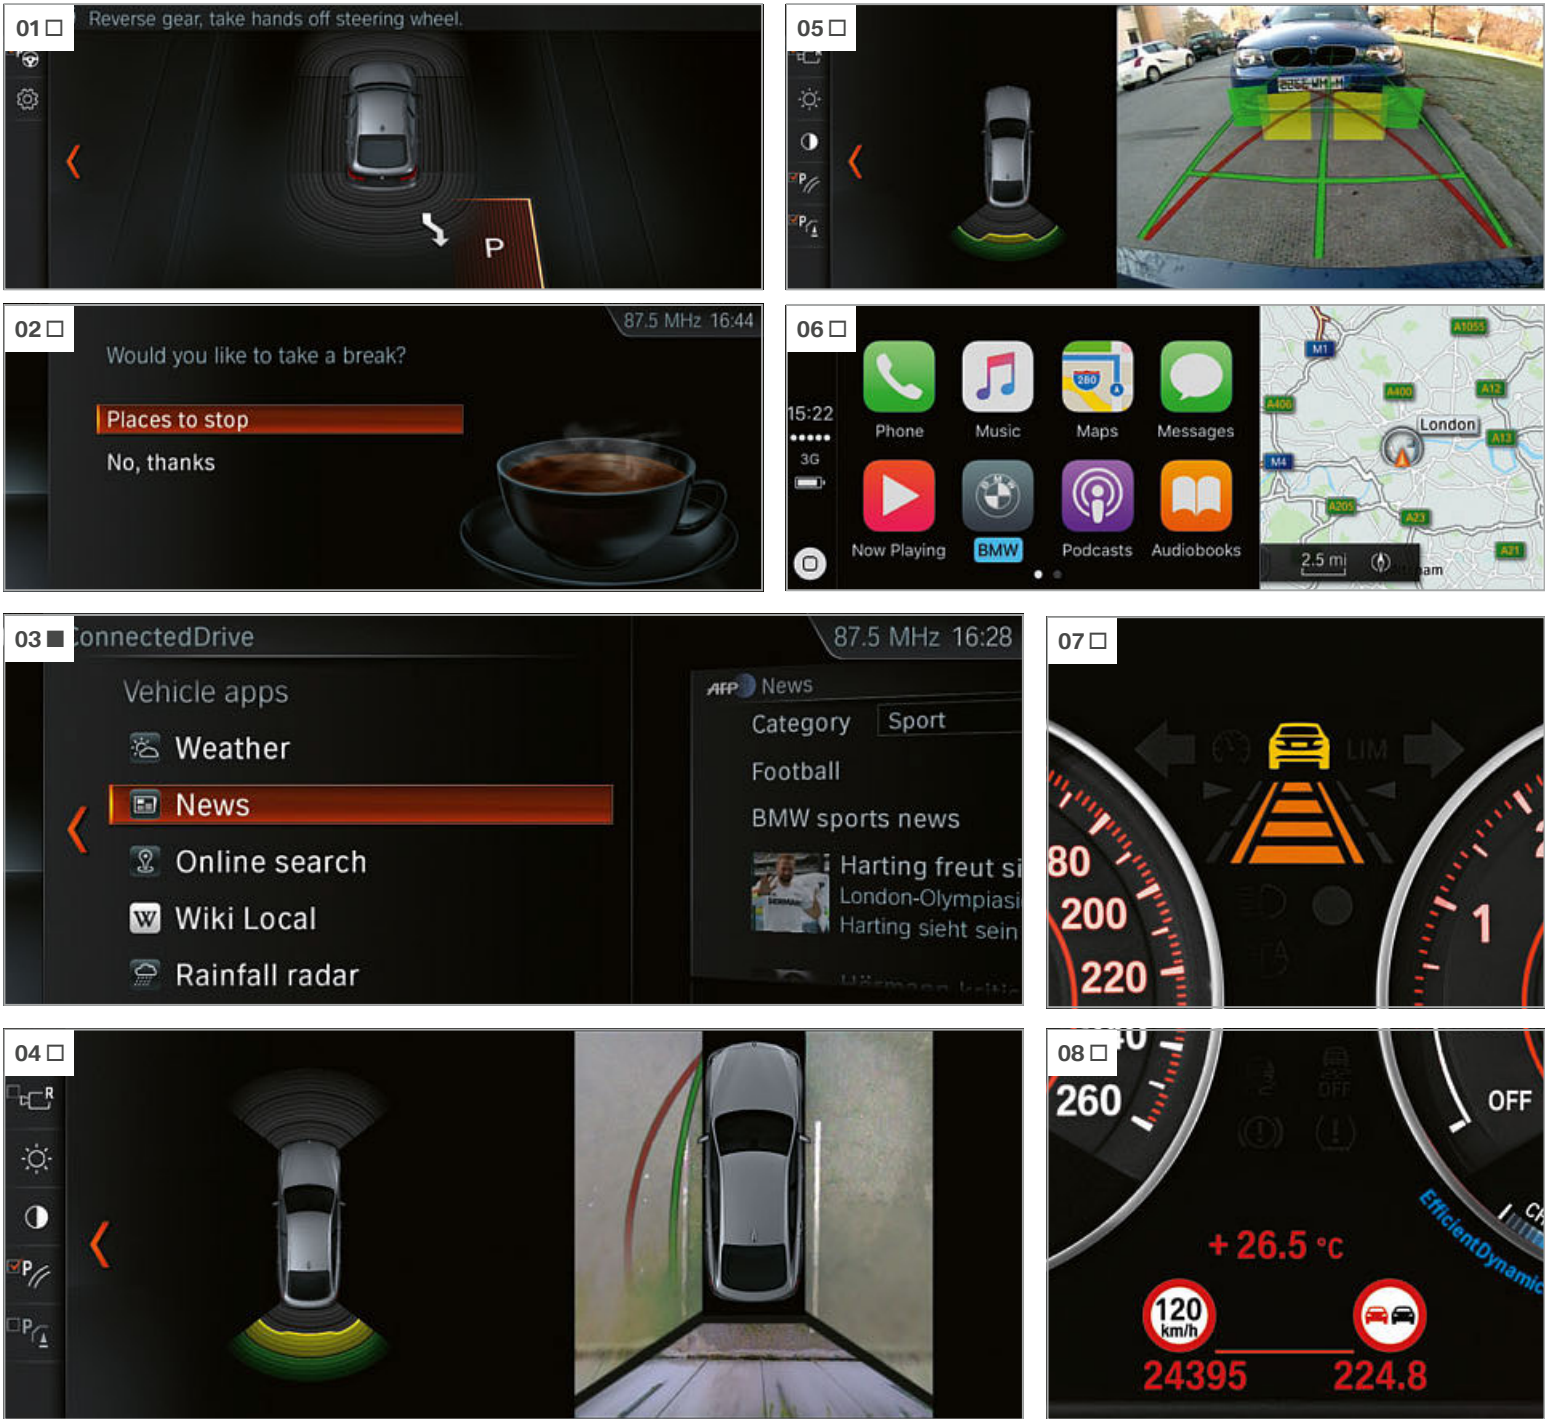

<sup>5</sup> Supports inductive charging for Qi-compatible mobile phones. Special charging cases are available from Original BMW Accessories for selected smartphones that do not support the Qi standard for inductive charging. The WiFi hotspot fulfils all in-vehicle requirements for use of the internet with the maximum LTE standard. Usage is subject to cost.

Optional and standard equipment vary according to country.

EQUIPMENT HIGHLIGHTS.

■ Standard equipment □ Optional equipment

- [ 01 ]** The Parking assistant makes parking parallel and perpendicular to the road easier. It does the steering while the driver remains in control of the accelerator, brake and gears.

**[ 02 ]** Active Protection warns the driver if it detects signs of tiredness, intervenes in critical situations and brakes the car to a standstill after an accident.

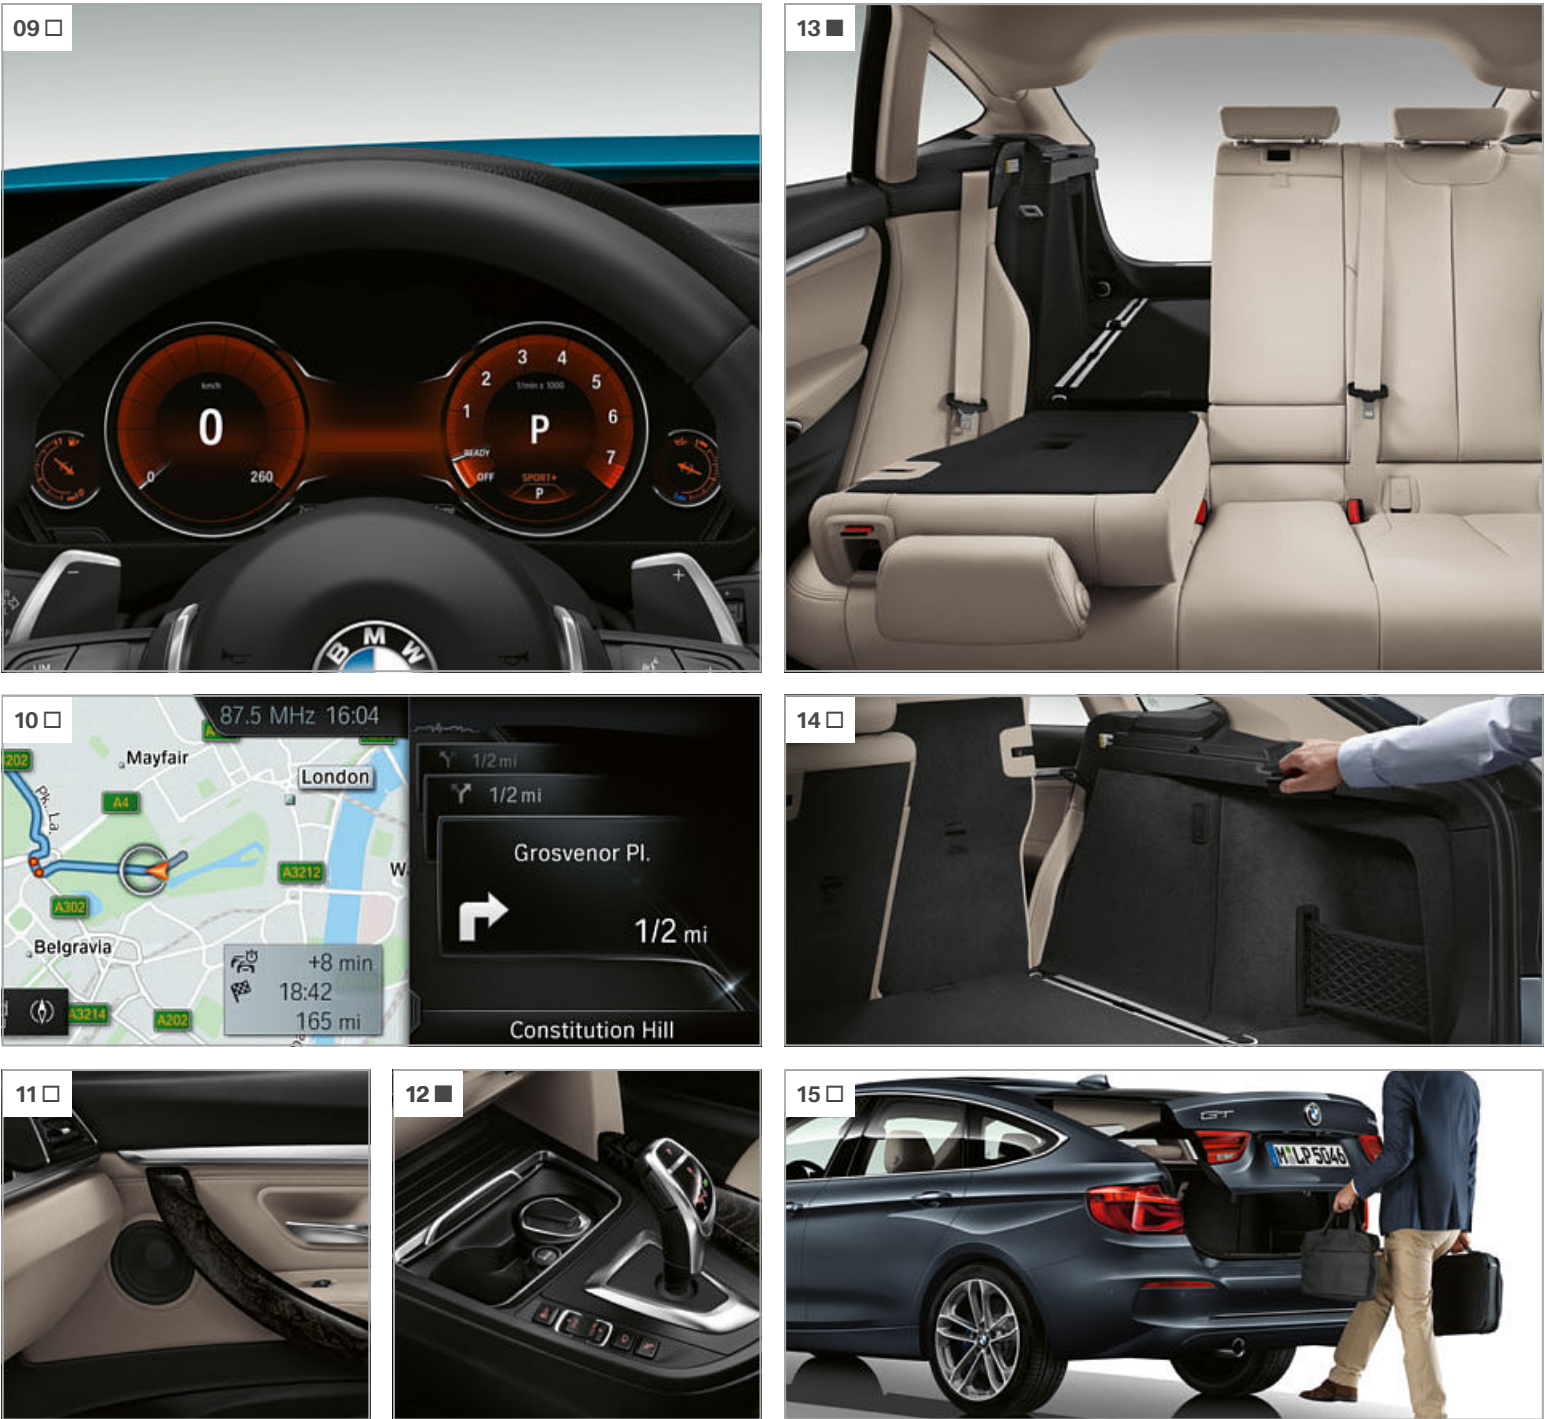

**[ 03 ]** ConnectedDrive Services forms the basis for intelligent BMW ConnectedDrive functions, as well as for integrating selected smartphone apps.<sup>1</sup>
- [ 04 ]** Surround View is a visual parking aid with the camera-based functions Top View, Side View and Rear view camera.

**[ 05 ]** The Rear view camera shows the area behind the vehicle on the Control Display. Interactive track lines and obstacle markings also help the driver when reversing.

**[ 06 ]** Preparation for Apple CarPlay® supports the convenient and secure wireless use of an iPhone® via the vehicle's user interface.<sup>2,3</sup>

**[ 07 ]** Active cruise control with Stop&Go function maintains a preselected speed, as well as the distance to the driver ahead.<sup>4</sup>

**[ 08 ]** Speed Limit Info including the No-overtaking indicator displays speed limits and provides information on no-overtaking zones.<sup>2</sup>

- [ 09 ]** The Multifunctional instrument display offers an impressive presentation of the gauges and other instruments.

**[ 10 ]** The Navigation system Professional includes a hands-free facility, a USB interface and the Radio BMW Professional, among other things.

**[ 11 ]** Harman Kardon surround sound system with 600 watt digital amplifier, vehicle-specific equalising and loudspeakers with chrome detailing.
- [ 12 ]** Storage options in the front and rear doors, an open compartment under the centre armrest in the front and in the rear centre console, two cupholders in both the front and rear, along with a storage tray and glove compartment.<sup>5</sup>

**[ 13 ]** The Through-loading system with rear seat backrests, which are divisible in a 40:20:40 ratio, guarantees flexibility when transporting people and objects. Folding headrests for the three rear seats give the driver a better view through the rear window.

**[ 14 ]** Remote backrest unlocking for the rear seats allows the rear seat backrests to be unlocked and folded down conveniently via a button in the luggage compartment.<sup>6</sup>

**[ 15 ]** The Comfort access system allows passengers to enter the car without having to actively use the car key. When the key is on their person, they just have to touch the door handle or tailgate button. Thanks to the Smart Opener and Smart Close functions, the tailgate can also be opened and closed by merely waving one's foot under the rear bumper.

<sup>1</sup> For further information on BMW ConnectedDrive, please visit [www.bmw-ConnectedDrive.com](http://www.bmw-ConnectedDrive.com)  
<sup>2</sup> Only available in conjunction with a navigation system..  
<sup>3</sup> Compatibility and functionality of the iPhone® with Apple CarPlay® is dependent on model year and installed software version.  
<sup>4</sup> Only available in conjunction with Steptronic transmission.

<sup>5</sup> Shown here with optional smoker's package.  
<sup>6</sup> Included in the storage package.

Some ConnectedDrive Services may differ between countries. Please consult your local BMW partner for more information.

WHEELS AND TYRES.

■ Standard equipment    □ Optional equipment

- [ 01 ]** 17" light alloy wheels Star-spoke style 394, 8J x 17 with 225/55 R17 tyres.<sup>1</sup>

**[ 02 ]** 17" light alloy wheels V-spoke style 395, 7.5J x 17 with 225/50 R17 tyres.<sup>2</sup>

**[ 03 ]** 18" light alloy wheels V-spoke style 658, 8J x 18 with 225/50 R18 tyres.
- [ 04 ]** 18" light alloy wheels turbine styling 415, 8J x 18 with 225/45 R18 tyres.

**[ 05 ]** 19" light alloy wheels Multi-spoke style 674 with mixed tyres in Bicolour Ferric Grey, gloss-lathed, wheel size 8J x 19 front with 225/45 R19 tyres, wheel size 9J x 19 rear with 255/40 R19 tyres.<sup>3</sup>
- [ 06 ]** 19" light alloy wheels Double-spoke style 673 in Bicolour Ferric Grey, gloss-lathed, front wheel size 8J x 19<sup>4</sup> with 225/45 R19 tyres.

**[ 07 ]** 19" light alloy wheels Double-spoke style 466 with mixed tyres in Bicolour Ferric Grey, front 8J x 19 with 225/45 R19 tyres, rear 9J x 19 with 255/40 R19 tyres.

**[ 08 ]** 19" M light alloy wheels Double-spoke style 598 M with mixed tyres Bicolour Orbit Grey, gloss-lathed, wheel size 8J x 19 front with 225/45 R19<sup>5</sup> tyres, wheel size 9J x 19 rear with 255/40 R19 tyres.
- [ 01 ]** Roof box in Black/Titanium Silver, lockable openings on both sides and with a 520- litre capacity. Suitable for all BMW roof rack systems.

**[ 02 ]** Precisely fitting protection against moisture and dirt in the front footwell. The black/light grey design perfectly complements the interior.
- [ 03 ]** The front seat backrest supports the clothes hanger, the folding table, the universal hook, the attachment for action cameras and the attachment for an Apple iPad™ or Samsung Galaxy Tab.

**[ 04 ]** The clothes hanger attaches to the separately available base carrier (required) using plug-in connectors and can also be used outside the vehicle.
- [ 05 ]** Premium 18" BMW M Performance light alloy wheels Double-spoke style 405 M, forged, finished in matt Black. Complete TPM summer wheel set with runflat tyres. Wheel size 8 J x 18 with 225/50 R 18 95W tyres. Also available as a complete winter wheel set.

**[ 06 ]** The sophisticated door sill finishers with illuminated BMW lettering automatically emit a discreet light when the doors are opened.

**[ 07 ]** Bag in flecked Black/Grey with storage for various items. It attaches to the front seat and can be folded and carried.
- <sup>1</sup> Standard for 320i, 320i xDrive, 318d, 320d and 320d xDrive.

<sup>2</sup> Standard for the 330i, 330i xDrive, 330d, 330d xDrive.

<sup>3</sup> Only available in conjunction with Luxury Line.

<sup>4</sup> Only available in conjunction with Sport Line.

<sup>5</sup> Only available in conjunction with M Sport package.

Optional and standard equipment vary according to country.

ORIGINAL BMW ACCESSORIES.

<sup>1</sup> The EC unladen weight refers to a vehicle with standard equipment and does not include any optional extras. The unladen weight includes a 90% full tank and a driver weight of 75 kg. Optional equipment may affect the weight of the vehicle, the payload and the top speed if the selected equipment has an impact on the vehicle's aerodynamics.

<sup>2</sup> The actual total weight of the trailer must not exceed the maximum permitted trailer load, taking into account the maximum tow bar download.

<sup>3</sup> Performance data of petrol engines apply to vehicles using RON 98 fuel. Fuel consumption data apply to vehicles using reference fuels in accordance with EU Regulation 2007/715. Unleaded RON 91 and higher with a maximum ethanol content of 10% (E10) may also be used. BMW recommends RON 95 super unleaded petrol.

<sup>4</sup> The data for fuel consumption, CO₂ emissions and energy consumption are determined in accordance with

the measurements processes as defined by European Regulation (EU) 2007/715 in the applicable version. Data refer to a vehicle with base-level equipment in Germany, and the ranges account for differences according to the selected wheel and tyre size and the optional equipment and may change during the configuration process. Figures have been determined on the basis of the new WLTP test cycle and have been converted back into NEDC figures for comparability. [For these vehicles, values other than those specified here may apply for the assessment of taxes and other vehicle-related charges that are (also) based on CO₂ emissions.]

<sup>5</sup> Electronically limited.

Values in [ ] are for vehicles with Steptronic transmission.

# WELL TAKEN CARE OF WITH BMW SERVICES:

When you buy a BMW, you can look forward to superb service and comprehensive customer care. For example, the **Condition Based Service** independently tracks both service fluid levels and the condition of parts subject to wear and then notifies you in the display when the vehicle requires servicing. So you only need to go to your BMW service partner when it's really necessary. When you do go, our

**qualified BMW service specialists** take care of your vehicle using the newest workshop technology and only **original BMW parts**. This service is available worldwide in more than 3,300 BMW service partner establishments in over 150 countries, to provide you with limitless driving pleasure.

## BMW SERVICE.

**BMW Service Packages\*:** Individual and stress-free, just for you. Individual, well-thought-out servicing solutions carefully tailored to you and your vehicle. With one-off, predictable costs, BMW Service Packages give you complete peace of mind, so you can enjoy owning a BMW to the very fullest. Whether it's fresh from the showroom or already well-travelled – there's a BMW Service Package for every phase of your vehicle's life. All bringing you maximum quality, expertise and value retention, always at reasonable, transparent rates. And always carefully tailored to you and your BMW. Find out just how stress-free truly individual service can be! [www.bmw.com/serviceinclusive](http://www.bmw.com/serviceinclusive)

**BMW Mobile Service\*:** This service is there for you day and night. As soon as you call, we spring into action, and take care of everything that may need doing after an accident or breakdown, with specially trained technicians working – on site or via telephone – to get your car back on the road. We offer comprehensive, country-specific mobility packages for breakdowns, and insurance that covers you in the event of an accident or theft. So if anything untoward does happen, simply call up the BMW accident hotline and we'll go to work. We'll take care of calling the emergency services, a tow truck, a replacement car, notifying your insurance company and much more. For further information please visit [www.bmw.com](http://www.bmw.com)

**BMW TeleServices\*:** With Condition Based Service, you'll be automatically reminded of your next necessary service appointment on the vehicle screen. Provided you've consented, key vehicle data will be relayed to BMW automatically for analysis. Your assigned BMW service partner will access the information and contact you free of charge to make a service appointment as and when necessary. To access BMW Teleservices, the vehicle must be equipped with the optional Intelligent Emergency Call or ConnectedDrive Services. The service can be deactivated at any time you so desire, and you can change your service partner in the iDrive menu or ConnectedDrive portal. Find out more at [www.bmw.com/teleservices](http://www.bmw.com/teleservices)

**BMW Financial Services\*:** Mobility solutions to meet your needs. BMW Financial Services provides you with attractive leasing, finance and insurance options. To find out more, see the price list or go to [www.bmwfs.com](http://www.bmwfs.com). Your BMW partner will also be glad to draw up an individual offer for you in person.

## THE BMW EXPERIENCE.

**BMW TV\*:** [www.bmw.tv](http://www.bmw.tv) enables you to experience the BMW brand in all its diversity. Features, portraits and background reports provide you with information on automobiles, innovations, sports and lifestyle topics.

**BMW Driving Experience:** The better you control your BMW, the more enjoyment you will derive from driving it. Use our training courses to learn for yourself what it means to reach a car's physical limits on various types of surfaces, and what you have to do to control your vehicle even in extreme situations. For further information please visit [www.bmwdrivingexperience.com](http://www.bmwdrivingexperience.com)

**BMW Welt:** Picking up a car at BMW Welt has always ranked among the best moments for any driver. Turn this moment into one whole unforgettable day: experience the handover of your new BMW as just one part of a programme of activities perfectly tailored to your interests. At BMW Welt, the BMW Group plant, the BMW Museum, the BMW Group headquarters and the BMW Group Classic all combine to provide you with a great experience of an exciting history, a breathtaking present – and spectacular visions for the future. Find out more at [www.bmw-welt.com/en](http://www.bmw-welt.com/en)

**BMW Magazine:** In BMW Magazine, experience the newest BMW models in front of stunning backdrops. Discover new design trends, travel destinations and the richness of modern life. Encounter people with visionary ideas who are changing the world. Find out more at [www.bmw.com/magazine](http://www.bmw.com/magazine)

# SHAPING THE FUTURE – RESPONSIBLY.

In 2017, the BMW Group was once more listed in the Dow Jones Sustainability Index. This makes BMW Group the only company in the automotive industry to be listed without interruption since the index was established. The development of efficient vehicle concepts and environmentally friendly production processes, including recycling, is an integral part of our philosophy. BMW EfficientDynamics and electric vehicles have enabled us to cut CO<sub>2</sub> emissions from our European new-vehicle fleet by more than 42% since 1995. We have also reduced the amount of resources used in production, such as water and energy, by round 34% between 2006 and 2017, with a reduction to 45% of previous levels aimed at for 2020. In terms of other resources (such as volatile organic compounds, process wastewater and waste) our 45% target was met in 2014, and we will continue to work on further improvement. Production at our engine plant in Steyr has been waste-water free since 2007. And of course, at the end of its service life, every one of our vehicles can be easily and economically recycled. To return your end-of-life vehicle, please contact your BMW partner. For more information on this issue please visit our website.
